PERSONAL STATEMENT

Ensure and protect the rights of OAS staff members, accompanying the General Secretariat in its management of human resources and offering the perspective of the staff through a permanent dialogue with the administration. Specifically proposals for the next period of the Committee:

- Support the Department of Human Resources in the regularization of contractual conditions of staff members (expired short term contract, pending reclassifications, external and internal competitions for posts etc).
- Call for continuing contracts competition, in compliance with the Staff Rules.
- Ensure equal treatment of all staff members vis-à-vis the budgetary challenges faced by the Organization.
- Strengthen the Staff Association through a campaign to increase the number of contributing members.
